

QWFC Ltd – Welsh Government Quarantine Unit Scheme

**(QRS1) Pro-Forma Biosecurity Information required for QU scheme certification**

**Livestock Keeper Name:**

**Farm Address:**

**Post Code:**

**Details:**

**1**

**Footwear and clothing:**

Please set out what will be worn when managing the QU (e.g. wellies & leggings or disposable overalls) The scheme requires that footwear and clothing must either be dedicated for use in the QU, be disposed of or cleansed and disinfected before entering or leaving a QU.

**2**

**Footwear and clothing:**

Please explain how the footwear & clothing worn when managing the QU (as above) will be cleansed and disinfected before entering or leaving a QU. (e.g. disinfection footbath at QU entrance)

**3**

**Vehicle cleansing & disinfection:**

Note the equipment and materials to be used to cleanse and disinfect vehicles, trailers etc (e.g power wash, knapsack sprayer) and the name of the DEFRA approved disinfectant proposed to be used.

4	<p><b>Handwashing equipment and materials:</b> Note how it's proposed to ensure that hands can be adequately washed (e.g. water tap and basin). Cleansing solutions can also be used where appropriate, for example, if stock isn't handled.</p>	
5	<p><b>Handwashing equipment and materials:</b> Identify the location of hand washing/cleaning facilities for the QU noted in 4 above (e.g by the QU door in an indoor unit or by the gate if outdoor).</p>	
5	<p><b>Method of disposal of bedding from trailers, lorries etc used to carry stock into QU</b> (e.g. stored in the QU while its in-use)</p>	
7	<p><b>Location of any manure storage facility for bedding used to transport stock</b></p>
